Sirs,

Sub: “Narayaneeyam” (English version)

The latest English commentary on the above subject= a magnum opus = published by you has come out extremely well. We glanced through few pages of the book, covering important slokas. Years ago, we had occasion to study the great scripture under the guidance of Late Sri. Krishna Sastrigal of Tripunitura, an erudite veteran scholar in Sanskrit. We had occasion to go through some of the commentaries on the subject by late Brahasree Ananta Rama Dikshidhar, Swami Tapasyananda, ‘Vanamala’ commentary (by Guruvayoor Devaswom) commentary by late Mr. Menon (Palghat) etc. The present commentary published by you, wherein eminent persons including Sri. S.N. Sastri (a great devotee of Lord Krishna and a scholar) have put in their great and sincere efforts is innovative and also instructive.

Permit me to congratulate the authors of the commentary and also the publishers for bringing out this new majestic commentary, well arranged, neatly printed and got up in form and contents.

I wish the venture all success and may Lord Guruvayoorappan continue to bless us all.

I had occasion to purchase the book through the good efforts of M/s Kottakkal Arya Vaidya Sala, Bangalore Branch.

Thanking you,

Yours faithfully,

Sd/- JUSTICE K.S. PARIPOORNAN.
